  - (1 point to each individual that participates per organization with a maximum of 10)

Teams will only receive points for how far they make it in the bracket. Example: Team A loses in the 5 on 5 Basketball Championship and receives 40 Points. They will not receive a combination of every round they won.

To receive points, Greek teams must have their organization name/letters in their team name.

Coed teams will also receive points based on how far they make it in the tournament. Example: Fraternity Team A wins the 6 on 6 Volleyball Championship and makes it to the semi-finals in the coed 6 on 6 Volleyball tournament. They would receive 40 points for winning the fraternity championship and 20 for their coed team.
